

Amnihook® Amniotic Membrane Perforator

The Most Trusted Brands in Obstetrics

We are proud to offer the highest quality obstetric products from Briggs Healthcare. Synonymous with standard care and designed to simplify and improve working practice in the healthcare facility the Briggs obstetric range is the leading brand for quality products manufactured and inspected with rigorous laser vision inspection technology.

Amnihook® Amniotic Membrane Perforator

Our Amniotic membrane perforator provides physicians with a safe, comfortable method to rupture the amniotic membrane the first time, virtually every time.

Features:

- 100% laser-vision inspected
- Rounded tip and protected point designed to rupture the amniotic membrane without injury to mother or foetus
- 10" (26.5cm) long, with non-glare moulded plastic and sides ensure a non-slip grip and precise control
- Disposable, pre-sterilised and individually packaged for convenience

Item Number	Description	Quantity
