Double-Grip® Cord Clamp and Cord-Clamp® Clipper

Since 1964, the Double-Grip Umbilical Cord Clamp has given over 100 million babies a healthy, safe start in life! The precision-engineered cord clamp is laser vision inspected to meet our quality criteria 100%. The specially designed Cord-Clamp Clipper safely cuts through the Cord-Clamp hinge for easy removal from baby.

Features:

- Safe, Disposable, easy to apply
- Dual gripping surface prevents slipping during application
- Maintains tight seal and applies constant pressure on any cord as it shrinks
- Hinge guard confines cord between serrated jaws to eliminate movement
- No rough edges to snag clothing or get caught on bed linen
- Cord-Clamp Clipper's cutting surface is concealed to eliminate risk of sharp or pointed object near baby
