Vozički Strecherji

TROLLEY - STRECHER

Voziče SI STRECHER

art. 151000

Univerzalni terapevtski voziček-STRECHER je dimenzijko in konstrukcijsko izdelan tako, da nam omogoča glede na svojo sodobno obliko, zelo lahko premeščanje in transport pacientov.

Samo ležišče je nastavljivo po višini, s pomočjo hidravličnega cilindra in možnostjo postavitve v trendelenburg položaj.

Plošča ležišča je izdelana iz materiala, propustnega za rentgenske žarke.

Trolley STRECHER

art. 151000

All-purpose therapeutic stretcher's size construction, up-to-date design and function enable easy moving around and transport of patients.

The stretcher is adjustable in height by means of a hydraulic cylinder and can be set to trendelenburg position.

The stretcher bottom is made of material trough wich X-rays can pass.

Dimenzije / nakloni ležišča / Dimensions / angles of mattress platform:

↔ 2000 mm (2050 mm)

↻ 600 mm (720 mm)
